Mayor Pro Tem Linda Care called the town council meeting to order at 7:00 P.M. and led those present in the Pledge of Allegiance. Attending: Mayor Pro Tem Care and Council members Goff and Anfinson. Absent: Mayor Cielinski and Councilman Lembke.

**APPROVAL OF MINUTES** – being no additions or corrections to the minutes of April 12, 2010 they stand as presented.

**COUNCIL REPORTS** – Councilwoman Goff reported the WAM Board meeting attended by herself and Councilwoman Care last week. Sessions attended were on Homeland Security, Economic Development, legislative issues and grant funding.

**ITEMS FROM THE FLOOR** – Mark Dosa questioned the approval of the minutes of the April 12, 2010 meeting. He felt the council’s approval of the minutes with that statement “Survey results at the end of today were still overall 70% in favor of development” was misleading. It was his opinion it gave legitimacy to the results of an invalid, flawed survey.

Mr. Mike McQueary asked the council when the town would hear the resolution for nomination of the sale of state land. Mayor Pro Tem Care advised him that the town would not reconsider this issue until a meeting can be arranged between the developers and the town.

**2010 ARBOR DAY PROCLAMATION** – Mayor Pro Tem Linda Care read the proclamation recognizing the 2010 Arbor Day Celebration. Travis Griffin, WY State Forestry, presented the town with a Tree City USA flag, hat, and pin recognizing Glenrock’s sixth year participating in the program. Trees will be given away at the landfill this weekend to celebrate Arbor Day.

**2010 RELAY FOR LIFE PROCLAMATION** – Mayor Pro Tem Linda Care read a proclamation recognizing the works of the American Cancer Society’s 2010 Relay for Life fund raising event. Relay for Life Days were proclaimed as June 4-5, 2010, and recognize their event to be held in the Glenrock Town Park. Mrs. June Lythgoe, gave a brief presentation to the council and audience. Their goal for 2010 is $20,000. They hope to meet and exceed that goal. It was noted that one out of every five people is touched by cancer. Anyone who is interested in participating in the relay is encouraged to contact June Lythgoe or Cindy Allen. There are several teams already formed and additional teams are still looking for participants.

Mrs. Lythgoe then informed the audience that if they achieve their goal of $20,000, a young high school girl from Douglas has volunteered to get her head shaved in recognition of cancer survivors. Mayor Cielinski has also volunteered to participate in that same challenge.

**ADJOURNMENT** – being no additional business before the town the meeting adjourned at 7:23 P.M.
