Councilman Anfinson thanked the council for this opportunity, and commented that he is excited to get to work.

**DEVELOPMENT SURVEY** – Mayor Cielinski advised the audience that the development survey results have been posted to the town’s website. The survey will continue to be open on the website until the next council meeting. The town has received 62 survey’s; 81% favor development on the property between the town and the interstate. Sixty copies will be printed off tomorrow and provided to Councilman Anfinson for distribution to the high school government class.

**POLICE DEPARTMENT** – Chief Sweet advised the council that they have started the remodel. They have also gotten the Glenrock Police Department website up. The site is under construction. A hotlink from the towns website is available.

**TOWN WEBSITE** – the town now has the opportunity to showcase local photographs by local artists. If you have a picture you would like showcased on the website, forward them glenrocktown@aol.com along with the credits.

**PUBLIC WORKS DEPARTMENT** – the Country Estates waterline is close to completion and the public is asked to bear with us as the frost works out of the ground. Well #7 is progressing nicely. The Public Works Department is also in the process of patching potholes. They are utilizing a new cold-mix product that works similar to hot-mix. Preliminary trials are promising. The Town’s Public Works Department is getting bids for overlay projects for several locations in town (Bridger’s Crossing and 6th Street). The rest will be used for pothole repair.

**ORDINANCE NO. 638 – PARKING REGULATIONS** – Councilwoman Care moved to approve the ordinance on third and final reading. Second by Councilwoman Goff. All members voting, AYE – motion carries.
