Public Work Session convened at 6:34PM. All elected officials were in attendance, as well as:

Jaime Reid – Town Clerk
Andrew Sibai – Treasurer
Jaime Pinkerton - public

The rates for water, sewer and sanitation were discussed. An increase in the rates is past due and necessary; and a small yearly increase will be looked at to avoid big rate increases in the future. Also discussed was implementing the inactive tap fee of $15/month previously passed.

Public Work Session adjourned at 7:40PM.
