Executive Session adjourned and the Public Work Session reconvened at 7:45PM. Mayor Frank was absent; all other elected officials were in attendance, as well as:

Jaime Reid – Clerk
Andrew Sibai – Treasurer
Kasey Drummond – Building Inspector
Members of the public

Paleon – Councilman Flynn wanted an update. The Architect is still preparing the scope of work for the roof repair bid. The is a difference of opinion with regards to the Lease Agreement and further discussion is needed. Jaime will contact Scott to schedule an Executive Session.

Purchasing Policy – Andy Sibai presented an amended agreement increasing the amounts that would require quotes or bids. Based on the economic forecast council agreed that the current Purchasing Policy should remain in effect.

Budget: With revenues being down approx. 30k, Andy Sibai recommended that we hold $360,000 from the budget this year. Council was in agreement as follows: Dead tree removal can be cut by half to $50k; the grader attachment ($10k) and Kimball park bathrooms (65k) have already been placed on hold; the playgrounds at South Rec. (30k) and the Tot Lot (30k) be placed on hold; Town Hall Bathrooms and sound system (90k) be placed on hold; and the Comp. Plan can be cut by half to $10k. Jaime Reid advised that she is having the sound system serviced next week and that should save on replacing it for now.

Public Work Session adjourned at 8:30PM.
