General Statement of Duties

Performs difficult supervisory and administrative work in directing the activities and personnel of the Glenrock Fire Department.

Distinguishing Features of the Class

An employee in this class plans, organizes, and leads a variety of departmental activities to include firefighting, rescue, training, public education, emergency medical response, hazardous materials response, and fire prevention in protecting the lives and property of the citizens of Converse County. Work includes establishing a vision of excellence in customer service and emergency response readiness and long-range planning for programming, facilities, staff, and equipment needs. The Chief manages the department staff, both paid and volunteer, prepares and monitors the budget, plans and evaluates work operations, and directs the hiring, training and counseling of personnel. The Chief evaluates the need for new equipment, stations, and ensures a program of fire prevention, inspections, and fire investigations. The Chief attends major incident response and may take command at the site; consequently, skills must be maintained in the use of firefighting and fire equipment operation. The role is responsible for serving as liaison with County Emergency Management staff in developing and maintaining a Town emergency management plan and response and coordination of Homeland Security requirements. The employee is subject to hazards associated with firefighting including working in both inside and outside environments, in extreme cold weather, and exposure to various hazards such as exposure to high heat, exposure to chemicals, and in the proximity to moving mechanical parts; electrical current, and working in high places. Employee may be exposed to atmospheric conditions and blood borne pathogens, may be required to wear a respirator, and may be required to work in close quarters. Considerable judgment and expertise is required in directing departmental activities especially in training and in setting and monitoring work standards. Work is performed under the general administrative supervision of the Mayor.
